25X1

1. [REDACTED] Comment. These trains were possibly troop shipments.
2. [REDACTED] Comment. A total of 840 cars were loaded with military goods during the period of observation. Last month, 813 cars were loaded. [REDACTED] Thirty-seven of the railroad stations listed were mentioned in a previous report. A comparison shows that supply traffic slightly increased in Brand-Erbisdorf, Burgstaedt, and Hohenstein-Ernstthal and decreased in Chemnitz, Mittweida and Plauen.

25X1

25X1

25X1

4. [REDACTED] Comment. Return shipments to the USSR of old vehicles within the present exchange program.
